

## Great Lakes YEN Participant Activity Timeline

**Kickoff Meeting** (Virtual - Zoom)

**Field and Test Area Selection**

**CropTrak** – Add a Field and Add an Agronomist (optional)

NOTE: **ALL** survey data (background, planting, crop inputs, growth stage reporting) **must be entered throughout the season with completion at harvest time**. Not doing so will result in an **incomplete report** for your field!

**Soil Sampling** – Green up

**Tissue Sampling** – GS 31 + 39/Feekes 6 + 9

**Grab Sample Collection and Heads/m<sup>2</sup> Count** – Physiological maturity

**Harvest Verification Form and Grain Sample Collection**

All CropTrak data **MUST** be entered by this time or there is the risk of receiving an **INCOMPLETE** report!

**Winners Announcement Meeting** (Virtual - Zoom)

**Wrap-Up Meeting and Report Discussion** (In-Person)
